

Invention Convention Media Release

As a parent/guardian of a student in the Young Inventors' Program®, I give the Academy of Applied Science and Invention Convention Worldwide (the Academy's program partner) permission to use photographs and video of my child, myself, and other family members appearing in materials submitted for the virtual Northern New England Invention Convention.

Please select that you authorize:

- Full release:** I authorize use of identifying information of my child and my family in photographs and video for judging and promotional use.
 - This information includes, but is not limited to: names, hometowns, inventions names, and awards (if applicable).
 - These assets may be used in whole or in part by the Academy of Applied Science to promote the Young Inventors' Program on their website and social media accounts.

- Limited release:** I authorize use of photographs and video that do not include identifying information about my child and my family for judging and promotional use.
 - These assets may be used in whole or in part by the Academy of Applied Science to promote the Young Inventors' Program on their website and social media accounts.

- Restricted release:** I do not authorize use of photographs or video for any activity other than for judging purposes for the Northern New England Invention Convention.
 - I understand that video and photos will be posted in private digital folders for access by judging teams.
