

Problems All Around Me

Ask other family members, friends, or neighbors what problems they have around their homes, neighborhoods, or that could be solved with a new invention. List their responses below.

Person #1:

Person #2:

You:

Put a star () next to your best idea.

To make your selection, ask yourself which idea is most interesting to you, most needed, most original, and one you think you can make using the materials around your home.
