

What's Your Problem?

Use this flow chart to list your problem and map out possible solutions. Above each arrow, circle YES or NO to indicate whether each solution could be successful, or not, and then outline the reason why or why not in the space provided. If needed, add more boxes or arrows.

```
graph TD; P1[PROBLEM 1:] --> S1[POSSIBLE SOLUTION #1:]; S1 -- YES/NO --> R1[REASON:]; S1 --> S2[POSSIBLE SOLUTION #2:]; S2 -- YES/NO --> R2[REASON:]; S2 --> S3[POSSIBLE SOLUTION #3:]; S3 -- YES/NO --> R3[REASON:];
